

ArcGIS Pro – Borrar Caché local

Curso ARCGISPRO - Profesor Rodolfo Franco, conozca más en <https://rodolfofrancoweb.com>

Esta es la ruta para limpiar el caché local.

Borrar los archivos temporales de visualización periódicamente ayuda a evitar problemas de rendimiento.

The screenshot shows the ArcGIS Pro interface with the 'Settings' and 'Options' buttons highlighted with red boxes. The 'About ArcGIS Pro' window is open, and the 'Options' dialog box is displayed. The 'Display' tab is selected in the 'Options' dialog. The 'Local cache' section shows the path 'C:\Users\franc\AppData\Local\ESRI\Local Caches' and a 'Clear cache now' button, which is also highlighted with a red box. The 'OK' and 'Cancel' buttons are at the bottom right of the dialog.
